TSCA Section 8(a)(7)

Dear Valued Customer,

This is concerning the reporting and recordkeeping requirements for Per- and Polyfluoroalkyl Substances (PFAS) under the Toxic Substances Control Act (TSCA). This EPA rule requires each person who manufactures (including importers) PFAS or PFAS-containing articles for commercial purpose in any year since January 1, 2011 to collect information. This final rule is effective on November 13, 2023.

Miller-Stephenson has reviewed and will continue to review our suppliers' safety data sheets (SDS) for changes that relate to this ruling. It is recommended to check back within the next 12 months for the most updated information.

This notice is a general summary and does not constitute legal advice. We recommend consulting with counsel to determine the requirement that is applicable to your company's business.
